## Schedule

Pre-Kindergarten classrooms have a fun filled learning day that is integrated throughout the curriculum.

Pre-K will start their day by receiving a **free** school breakfast if they wish. The day starts at 8:00 am. Pre-K students attend P.E daily along with having art, music, and library rotated through a four day cycle. This allows the students to flourish in different classroom environments and learn about different subject areas.

Your child will have a lunch period with a **free** four option food choice. This allows them to be exposed to different food choices and expand their palet.

When your child is in their classroom they will focus on social and emotional development, letter/ number recognition, writing their names, and fine/gross motor skills. Also, throughout the day teachers incorporate dramatic play, art and music into their lessons. This creates a successful learning environment for all.

At DCS our students' learning is our top priority and we help them grow as individuals.

**Pre-Kindergarten** will provide children with the foundation for number and letter recognition, formal reading, and problem solving before they enter kindergarten.
