

COVID-19 ADDENDUM TO THE CODE OF CONDUCT

Refusal to comply - In the event of a pandemic, medical emergency, or if needed to ensure the safety of staff and students, the wearing of face masks can be required and enforced by the school. Students refusing to comply will face disciplinary action, including removal from school property and transportation. After the third offense, whether it occurs in one day, or over several days, the student will be transferred to full remote instruction.

Face mask requirements - Masks are required at all times when individuals cannot maintain appropriate social distancing. This includes on school buses and in classrooms, hallways, bathrooms, and when entering/exiting the building during dismissal. Additionally, students must adhere to social distancing guidelines and follow directions to ensure proper spacing is occurring in said areas.

The design of the mask must adhere to the school dress code and cannot have offensive or obscene graphics that would disrupt the school or learning environment. Masks found to be in violation will be handled according to the code of conduct. Face masks must fit snugly but comfortably against the side of the face and allow for breathing without restriction.
