To make an appointment:

Go to madisoncounty.ny.gov or Call 315-366-2770

As of April 6, 2021 all New Yorkers age 16 and older are eligible to be vaccinated. You do not have to be a Madison County resident to register. A second dose appointment will be made for you at your first dose appointment.

Vaccines are safe and free and confidential.

Vaccine clinics are provided by the Madison County Health Department and Madison County Department of Emergency Management, in partnership with our community members and volunteers. Thank you all for what you do!
