Great News-Blessings in a Backpack is partnering with DCS!

BLESSINGS IN A BACKPACK

Blessings in a Backpack is a Nationwide Program that works to give students nutrition on the weekends and holidays.

This program will allow our students to come home on Fridays with breakfast and lunch for Saturday and Sunday and break weeks.
This program is run outside of our daily school lunch program and is not based on income to participate. The only requirement is that your child or children have to be enrolled at DeRuyter CSD. To sign up, fill out the form attached and return it to the school.

Once signed up your designated child or children will have a bag given to them at dismissal on Fridays or before breaks. We will be starting in early November. It's that simple.

If interested please fill out the form- if you have multiple students they can all be listed on one sheet: **Forms are due back by 10/30/26**

Students:_____
_____
_____
_____

- ☐ I give permission for my child or children to receive weekend meals through the blessings in a bag program
- ☐ My child has an allergy that you need to accommodate- please refer to their medical record at school
