Public Comments at Board of Education Meetings – The DeRuyter Central School Board of Education welcomes comments from the public. This is why we provide “Public Comments” as part of our regular agenda. In fairness to everyone, we ask the public to please abide by the following conditions: **1)** The Board reserves the right to limit the comments of individuals to **three (3) minutes**; **2)** It is not appropriate to comment on individual staff members or about personnel matters during public session. We ask that such concerns be addressed initially with the appropriate administrator (usually one of our Principals or Business Administrator); **3)** Your next step should be to address this matter with the Superintendent; **4)** If you are still dissatisfied, please ask the Superintendent to request that this matter be discussed by the Board of Education in Executive Session.
