

Important clarification to 2012-13 Budget Update that was recently mailed to the community:

There have been a few questions asked centered around the Village of DeRuyter's Summer Recreation Program.

Each year voters must, **in a separate proposition**, vote to approve or not to approve the Summer Recreation Program. Approval by the voters only allows the district to collect the money from the community **for that current year**. Every year, the new school budget must show that money deducted from the amount because we do not have the authority to charge you for it until after the new vote, if it is approved. That is why the pamphlet shows the \$15,000 deduction.

Bottom line – nothing is any different than it ever has been. In May you will vote for the Summer Recreation program as you have in past years.

We apologize for any confusion. If you have any questions, please don't hesitate to call Jim Southard, School Business Administrator, at 315-852-3400 x 7502.
