

The Honorable David Valesky
New York State Senate
172 State Street, LOB 512
Albany, NY 12247

Dear Senator Valesky:

I would like to take this opportunity to sincerely thank you for the support you are giving to school districts in New York State by supporting the restoration of the remaining portion of the Gap Elimination Adjustment (GEA).

Restoration of these funds is vital for our ability to give our children a high quality, competitive 21st Century education and the overall sustainability of the DeRuyter Central School District.

Please continue to fight on our behalf to restore the GEA fully.

The future of New York depends upon our children and a high quality education is the cornerstone of that future.

In sincerest gratitude:
