Dear Community:

Late last night we became aware, by a parent, that their child tested positive for COVID-19.

The County was unavailable so we put contact tracing into effect as a district and quarantined the class.

In addition, the child who was positive has a sibling in one 5th grade class that had symptoms of COVID-19. Therefore, out of an abundance of caution we kept that class home today while awaiting guidance from the County Health Department.

We have been working with the County today and will have updates for the students in the 5th grade class.

If you have any questions, please contact Dr. Brown or Mrs. Valente.

Sincerely,

Dr. David M. Brown
Superintendent of Schools

cc: Mrs. Valente, Elementary Principal
