December 10, 2020

Dear DeRuyter Community:

I hope this letter finds you and your family well. I am writing to let you know that we have a DeRuyter student who has tested positive for Covid-19 and placed in isolation. We were notified of this earlier today and are working with the Madison County Health Department.

As a result of this positive case, only one staff member needs to quarantine, as the student had contact with only one person in the building. This has not impacted anyone else so we will continue our normal process of in-person instruction.

Please continue to remind your children of these safety measures we have in place:

- Wear masks, making sure the mask covers the mouth and nose
- Social Distance (6 Feet apart)
- Wash hands frequently with soap and water, using hand sanitizer when soap and water is not available.

These are frequent reminders we continue to give your children and your help in this endeavor will go far to make our school safe and allow us to remain open for in-person instruction.

Sincerely,

*Dr. Brown*

Dr. David M. Brown  
Superintendent of Schools
