PK-5 Principal/Director  
of Special Education

January 1, 2022

Dear Families:

HAPPY NEW YEAR!

The test kits from New York State have arrived and are ready for distribution.

I will be at the District Office (Annex Rooms 402 and 403) tomorrow, January 2, 2022, from 1-3 pm for anyone who would like a free test kit. There has been one kit allocated for each child. Please fill out the form below and bring it with you tomorrow sometime between 1 and 3pm.

I want to reiterate that we are NOT mandating you test your children but making this available if you want to test them. If you do use the test, and it is positive, you should do the following:

1. Log onto your county health department website and follow the directions for positive cases
2. Reach out to your building principal or myself to let us know
3. All other children in the house should stay home. The period of time for isolation and quarantine is up to the county and you can communicate that with us

If you have any questions or need additional help, please reach out to me.

Thank you!

Sincerely,

David M. Brown, Ed. D.  
Superintendent

Family Name \_\_\_\_\_

Number of DeRuyter Children in the Household \_\_\_\_\_

Number of Test Kits Requested \_\_\_\_\_ (there are two tests per kit so you may only want one kit if you have two children).
