

Afterschool Enrichment Dismissal Procedures

Good afternoon 6-12 students and families. With Afterschool Enrichment starting this Tuesday, I have some important information regarding student transportation and the pick-up process.

Pick Up/Drivers/Walkers

At the conclusion of Afterschool Enrichment, students getting picked up, driving or walking home should exit through the front foyer doors. Students are not allowed to remain in the building once afterschool is finished unless they are supervised by a staff member.

Late Bus

The Late Bus is available for students on the days Afterschool Enrichment is held. **Students who need to ride the Late Bus must sign up each day in the main office by 1:00 pm.** Late Bus students should exit the school through the doors near the cafeteria where busses will be parked and waiting nearby. The Late Bus will depart around 4:00 pm on Afterschool Enrichment days (Tuesdays, Wednesdays, and Thursdays). The time your child arrives home may fluctuate based on what programs are offered that day and the number of students riding the bus.

If your child's afterschool transportation needs change, please contact the high school secretary, Mrs. Kimberly Stanton, at (315) 852-3400 x 7105 or via email at stanton@deruytercentral.org.
